For school use: The students will use the materials everyday and may keep in the shelves. The notebooks should be labeled with name, grade and subject. **(80 pages)** for each notebook are required.

For personal use: The students will use the materials and should be in their school bags everyday.

The materials in the list given are good for one semester. In case the pages or materials are not enough please follow the requirements listed.

Please include the **Geometry Kit (such as protractor, ruler, and compass)** in your list but be reminded that the classroom teachers will collect and keep in the shelves for the student's safety. It will be used if it is required in Math Activities.

Note: Students are not allowed to bring board or permanent markers/ highlighter pens.
